

EDOUARD RENY

France

Namakat

About the artist

Edouard plays cajon, bass and acoustic Guitar. After quite a journey touring with many bands from jazz to metal, he decided to invest in a studio project, Synaptic Machines, where he could explore / build his own musical style... A blanket of electro where his creativity can just go wild and forgets limits!

Additionally, he still plays bass, live in some Alternative-Rock jams in The Hague to get his regular dose of stage thrill and delight.
